Choral Director Wanted!

We are a women's chamber choir in search of a new Choral Director.

The choir is in its fourth decade and performs a wide variety of works for equal voices. We perform mainly in Christchurch and the Canterbury region. We are looking for an enthusiastic musician with choral conducting experience, who is willing to guide a group of professional women from a range of ages and backgrounds who just love to sing!

At present, we rehearse on a Monday night in the Don Whelan Room at St Mary's Pro Cathedral, Manchester Street, Christchurch.

Look us up on Face book.
