

The Christchurch Youth Choir is a passionate group of approximately 40 auditioned young people aged between 16 and 28, who love to sing and enjoy spending time with likeminded people. We are also unique in that we are managed by a Committee of our own members.

We are seeking a Musical Director to work with the Choir for the 2020-2021 cycle. Primary duties will include selecting repertoire and directing the Choir at rehearsals and performances (Full job description available on request.) A formal education in music and experience working with choirs is required. Leadership skills and a sense of humour are also a must!

CYC rehearses 7:00pm-9:00pm Wednesdays, and hold two-three main concerts every year, alongside a number of smaller performances. We endeavour to perform a range of styles, and from New Zealand composers to world music. Applicants should be open to exploring all genres.
